

Burgess Cooper

Chief Executive Officer– Adani Cybersecurity

Burgess Cooper is the CEO of Adani Cybersecurity, building OT cybersecurity services that are made in India and built for the world.

He brings close to three decades of experience in cyber-securing some of the world's largest enterprises.

Before joining Adani, he served as Deputy Cybersecurity Leader and Partner at EY India's Cybersecurity Consulting Business, where he led a 1,300+ strong cybersecurity team and spearheaded the Responsible AI initiative for EY India. Prior to EY, he was the Chief Information Security and Data Privacy Officer at Vodafone and HSBC.

A recognized industry thought leader, Burgess is a regular speaker and jury member at prominent forums including BCCI, ASSOCHAM, CII, CISO, and E-Crime events. He has also spoken at leading international platforms such as Black Hat MEA 2025 (Riyadh) and the Gartner IT Symposium/Xpo and has been featured in major publications including The Times of India and The Economic Times.

He is also a qualified EC-Council CEI Master Trainer for the Industry CISO certification program.
